Lancaster Medals for Peter Young & Roy Thomas

The PAGB have awarded the J S Lancaster Medal to 2 WPF members, namely Peter Young, and Roy Thomas. This award is for Exceptional Service to the PAGB and is a very rare honour.

Since the inception of the award in 1998 there have only been 33 recipients. The last time the honour was bestowed on a WPF member was in 2002 when it was awarded to Ainslie Stuart-Jones. The recipients can use the honorific Hon PAGB.

The medal is named after J.S.Lancaster who proposed the setting up of the PAGB, and was the secretary from its founding in 1930 until 1946.

The whole Executive are proud to congratulate both Peter and Roy, and share this good news with everyone.

Martin Nagle,
General Secretary, WPF.

Bridgend & Marie Curie Competition

Bridgend & District CC has teamed up with Marie Curie Bridgend for a photography competition as a way of raising much needed funds for this very worthwhile charity. All details are in the poster below.

WPF Zoom Licence

You are probably aware that the WPF purchased a Zoom licence and made it available for use by all WPF Clubs, and several Clubs have made use of the service, sometimes before purchasing their own licence.

This Zoom facility requires a host to open the meeting, admit attendees, and deal with any problems that arise during the meeting. WPF Executive Member David (Del) Jones has been responsible for all the activity on the account since its inception. It has been an enormous amount of work, and Del has given up many hours of his time in support of this. It is now proposed that he takes a summer break from this work.

Therefore, no more Zoom bookings will be accepted by him during the months of June, July and August. During that time, the Executive will review the use of the facility going forward.

The account is also used for Executive meetings, the WPF AGM, Welsh Salon appraisal, the AWPf workshop and assessment and the judging of other WPF competitions., and the WPF online Conference. It is truly a valuable and well used resource.

All the work in connection with this has been done by Del, and on your behalf, and that of the WPF Executive, I wish to thank him very much for the hard work and dedication he has given in this matter.

Martin Nagle,
General Secretary, WPF.

2021 Midland Salon Open for Entries

The 2021 Midland Salon is now open for entries.

It has patronage from FIAP, PSA, GPU and PAGB.

The entry deadline is 26th June.

A Plea for Judge Assessment Forms

Could I please ask all clubs to nominate someone to complete a **Judges Assessment Form** after each club competition?

It only takes a few minutes to complete online, but is essential information for new judges, letting them know that they're doing well and meeting the clubs' criteria, and for those more experienced / seasoned judges to know that they're meeting expectations in line with the increased capability of post processing skills. Those are the positives. It's also important for me to know about anyone who does not meet requirements, although I would hope these are few in number.

The nominee need not be an officer of the club but a club member who would give fair minded and balanced feedback on behalf of and in consultation with other club members.

Judges Assessment forms may be found [here](#).
